

Notice re Toilet Tissue

Listed below are fifty six (56) brands of consumer toilet tissue and two (2) industrial “jumbo rolls” as well as seventeen (17) brands of hand towels, which have met microbiological specifications after tests were done by the Bureau of Standards, Jamaica (BSJ).

Sampling and testing are still on-going with the objective of assessing the safety of all brands in the marketplace. The BSJ website is being updated as additional test results become available.
