ALL CABLE OPERATORS

Dear Sirs,

Acquisition of Exclusive Broadcast Television Rights

We advise that CVM Television has acquired the exclusive broadcast television rights of the following programmes:

- ABC's – Scandal
- NBC's – Bates Motel
- NCB's – Suits

This means that television coverage of the foregoing programmes cannot be carried by any other station on your cable system other than CVM Television. CVM Television reserves the right to protect its economic interest and will be vigilantly monitoring all cable channels to ensure that these series are not shown on any other cable channel platform.

You are required to take every step including blocking egregious carriers of these programmes in order to see to it that the law is not broken and that CVM Television's contractual rights are adhered to. CVM Television reserves the right to take legal action if its rights in the foregoing matters are breached.

CVM Television looks forward to your usual co-operation in this matter.

Thank you,

Yours truly,

CVM TELEVISION LIMITED
